DISCLAIMER FORM

PART D – DISCLAIMER

By submitting my Membership Application, paying membership dues, and signing below, I certify that I understand the following:

1. Space Angels Network provides a medium for investor-members to find potential investment opportunities, meet fellow investors with similar interests, and collaborate on due diligence and deal negotiation activities. It also provides a means for entrepreneurs seeking early stage investment capital to present their ventures to potentially interested investor-members. It includes a Web-based platform for the sharing of information between and among entrepreneurs and investor-members.
2. Space Angels Network does NOT promote or recommend any specific investments, does not conduct or assist in conducting due diligence or deal negotiations, make any investment of its own capital in any venture through its service, or earn any commissions or other compensation from the investment activities of its investor-members.
3. Any and all information distributed by or through Space Angels Network, its staff and Advisors, or other investor-members is for information purposes only and is not intended to be, is not, and cannot be deemed to be, an endorsement, approval or other recommendation with respect to securities and/or investments.
4. The Space Angels Network staff and Advisors screen entrepreneur applications only for completeness and compliance with its investment criteria. However, the act of distributing this information does not constitute an endorsement of the accuracy or adequacy of the information therein.
5. With respect to securities and/or investments, investor-members will be responsible for (i) obtaining such additional information as they deem necessary for (ii) evaluating the relative merits and risks therein and (iii) consulting with their individual investment advisors and legal counsel.
6. Space Angels Network investor-members must be “accredited investors,” as defined by Regulation D of the U.S. Securities and Exchange Commission. For an individual investor, this means that an individual’s net worth, or joint net worth with their spouse, exceeds \$1,000,000, or that they had an individual income in excess of \$200,000 in each of the two most recent years or joint income with their spouse in excess of \$300,000 in each of those years and they have a reasonable expectation of reaching the same income level in the current year.
7. The companies and entrepreneurs submitting their business ideas to Space Angels Network for distribution to our investor-members are understandably concerned about privacy protection. As such, investor-members will not share briefings or any other company information with non-members, unless specifically authorized to do so by the company or its representatives.
8. Space Angels Network is a private for-profit company, and as such membership dues, initiation fees, or any other contributions are not deductible as charitable contributions for tax purposes.
